

Shortest Eagle Putt Challenge

On June 15 in his Tuesday league match Vince Bradford was feeling it on number 4. After launching an impressive tee shot, Vince found himself just over two hundred yards from the green and by no means had arrived at the course in order to lay up. Vince proceeded to lace his second shot two feet from the hole and canned the putt for an eagle.

With that effort, Vince takes the lead in our season-long challenge for shortest eagle putt. Gentlemen, top that if you can!
